"Paper homework should be given and more of written work should be encouraged."

"Would like a bit more information on homework etc how our child is getting on to make sure we are completing what needs to be done. Parents evening on computer is too quick obviously aware it's because of covid but would like to go back face to face."

"I don't know if my child has homework. She's not a child that goes on an iPad. I would like her homework to be paper based that's my only concern I have never known her come home with homework."

We will...

reintroduce homework books and half termly homework tasks alongside Times Table Rockstars and spellings online.

"Would like more sport competition opportunities."

Would it be possible to have any activities during the holidays?"

It would be good if more clubs were available for children after school, across all ages offering a selection of activities."

More clubs needed for pupil."

Would like more clubs."

"It is wonderful if there are some more after school clubs like basketball or badminton for the kids."

We will...

aim to introduce a wider range of extra-curricular clubs and activities each term to enable all children to attend at least one during the school year. Now that Covid-19 restrictions have been lifted, we will participate in more inter-school competitions.

Unfortunately we are unable to offer onsite holiday clubs however we will signpost you to local providers.

Thank you for your positive comments, they are greatly appreciated.
