

Hello 4WH!

I'm Mrs Holland, most of you will recognise me as I have taught you before and I would often pop through the stock cupboard into Mrs Milner's classroom! I am delighted to be your class teacher as you begin your journey into Year 4. We have lots to look forward to this year. Throughout the year our creative curriculum topics will be: Potions, 1066, Misty Mountain Sierra, Road trip USA and Blue Abyss. I am very much looking forward to seeing you all again and hearing about your adventures while in lockdown. I bet you are excited to see your friends again! Our new classroom will be Mrs Meredith's old one - it is a little bare at the moment and I cannot wait to cover the walls with your wonderful work.

A little about me:

I have been at Rakegate for many, many years and may have even taught your parents (!). I have two grown up daughters, a husband and a crazy English Bull Terrier called Pip. When I am not busy working, I like to go on long walks with Pip. I also like gardening, cooking and reading, which is my favourite hobby. My favourite season is autumn as I love the misty mornings, the cosy nights and the gorgeous colours of the leaves.

Hello Year 4, I am Miss Bird. I have been working here at Rakegate for the last two years in Year 4. Some of you may already know me and my 'wheelie chair'. I love to go on walks with my dog, Storm and I am a keen rollers skater. I am looking forward to seeing you all again soon.

Please don't worry about anything, between all the year 4 staff we have everything covered. You can talk to each one of us about anything and we are here to make the transition back as fun and comfortable as possible. Have a fantastic summer holiday and stay safe. We look forward to welcoming you back in September. ☺
