

Hello,

My name is Mrs Bradley and I will be your new teacher in Year 2. I am really looking forward to seeing you and welcoming you back into school. Miss Winnall and Mrs Howarth will also be supporting you with your exciting new learning!

Mrs Bradley

Miss Winnall

Mrs Howarth

We are going to have lots of fun in year 2 and have exciting new topics to learn about including work on castles, towers and fortresses in the autumn term, making musical instruments in the spring term and learning about famous explorers and pirates in the summer term! We are looking forward to meeting you all and we know you must be looking forward to being able to see your school friends again. You must have missed them. Things might seem a bit strange at the moment but please don't worry about coming back to school because we will take everything one step at a time and we will try and answer any questions you might have. Please let us know if there is anything you aren't sure about. On your first morning back at school, you will come into school through the same gate as you did when you were in year 1. We will be waiting to greet you and show you to your classroom. Take care and see you soon!
