Homework

09.12.2019

Dear Parents/Carers,

It has been brought to my attention that there are a number of children in Reception who are not completing their homework on a regular basis.

Homework is an opportunity to consolidate learning which has taken place in school and also to research and prepare for future learning. There is an expectation that homework is completed weekly, as set out in our Home/School agreement which you signed when your child joined the school.

We appreciate it when children receive support from yourselves with their homework, however children should be encouraged to complete as much as possible for themselves.

From January 2020, we will continue to monitor homework weekly and will be rewarding children at the end of each term if they complete their homework consistently and on time.

If you would like to discuss this matter further, do not hesitate to contact myself or your child's class teacher.

Yours sincerely,

Mrs Horton
Headteacher
