

Year 4
SUMMER TERM: OCEAN EXPLORERS
Home Learning Log

Choose at least one English task, one maths task and one topic/science task from the table below. The tasks are ranked accordingly, from 1 star being the easiest level to 3 stars being the hardest. You can choose which level you complete. If you wish to, you could complete more than three tasks.

Star Ranking:	ENGLISH	MATHS	TOPIC/SCIENCE
	Make a poster that explains why we should cut down on one use plastics.	Find out the distance across some of the world's oceans. Can you order them in size from smallest to largest?	Can you re-cycle an item so that it has a new use? e.g. a tin can as a plant pot or a plastic bottle as a bird feeder?
	Write a non-chronological report about your favourite sea creature.	Find the average length of 5 different sharks. Can you present your findings in a bar chart?	Research a food chain that might occur in the Pacific Ocean. Describe the animals and plants in the food chain.
	Write a persuasive letter to a supermarket, persuading them to stop using plastic carrier bags. Remember to include reasons and the impact of plastic on the environment.	Plan a round the world cruise. What distances will you travel? How much will it cost? How long will the journey take?	Create an under the sea scene in a shoe box.

Challenge: Create and complete your own task related to your class topic.

Please complete and return to your teacher by 28th June.
