Asthma

03.09.2020

Dear Parents/Carers,

If your child suffers with asthma and is prescribed an inhaler you must ensure that we have an **inhaler and spacer in school** please. In addition, you **must complete an asthma form** which is available from the school office.

We do have an emergency inhaler in school however due to latest Covid-19 restrictions, if a child uses the emergency inhaler we have to either send it home with the child or dispose of it. For this reason, it is vital that you provide school with an (in date) inhaler and spacer for your child.

Thank you in advance for your support with this matter.

Yours sincerely,

Mrs Horton
Headteacher

'Working together to achieve our best.'
