

Year 2

AUTUMN TERM 1: Superheroes Home Learning Log

Choose <u>at least</u> one English task, one maths task and one topic/science task from the table below. The tasks are ranked accordingly, from 1 star being the easiest level to 3 stars being the hardest. You can choose which level you complete. If you wish to, you could complete <u>more than</u> three tasks.

Star Ranking:	ENGLISH	MATHS	TOPIC/SCIENCE
	Take photographs or draw yourself being a 'Superkid' at home. You might be tidying your room or helping with the washing up. Label or write a sentence to go with each picture.	Write down your 2x, 5x and 10x tables and learn them off by heart.	Keep an exercise diary for a week. Describe what types of exercise and how many you do each day. Decorate your diary.
**	Who is your hero? Draw a picture of them and write a description about what they do and why you think they are a superhero.	Find all the ways that you can make numbers up to 20 using 2 numbers e.g. 3 +7 =10 10+8=18. Find ways using 3 numbers.	Create superhero accessories such as: a jet pack, a cape, a mask or cuffs. Be as imaginative as you wish!
	If you could have a super power, what would it be? Would you be able to fly, become invisible or see through buildings? Write about an adventure you might have.	Can you make a pattern using different coins? Draw around them and label them. How many of each coin have you used? Add up the value of the coins you have used. How much is your pattern worth? Repeat with different patterns.	Find out about a real life superhero and create a fact file about them, you could include pictures or photographs.

Challenge: Create and complete your own task related to your class topic.

Please complete and return to your teacher by Friday 18th October 2019

Spellings

These will continue to be sent home weekly and will need to be completed and returned each Monday ahead of the spelling test.

Maths

A maths task will be sent home each week which will be a chance to practise a skill learnt from the previous week.
