Dear Parents/Carers,

As of September 2020, it is now statutory for schools to teach Relationships and Health Education. During the last year, we have reviewed our PSHE (Personal, Social, Health and Economic Education) provision to reflect the new statutory guidance.

As part of this process, it is important that we consult with parents. We are unable to host a parent workshop under current circumstances therefore you can access all of the relevant documents on our website.

Under the Curriculum tab you will find the PSHE section and the following documents:

- Statutory Government guidance for teaching Relationships and Health Education
- Relationships and Sex Education Policy
- PSHE long term plan
- A Powerpoint explaining our approach to the new guidance and information about our PSHE curriculum.

We would appreciate it if you could find some time to review the above documents and let us know if you have any questions.

Please send these to our school email address.

Yours sincerely,

Miss Livesey
PSHE Co-ordinator
