

Nursery 2020

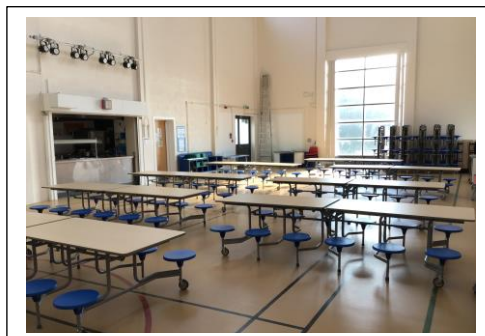

My name is Miss Speed and I will be your teacher in Nursery. Mrs Wenlock will also be with us, supporting you with your learning. We are looking forward to meeting you and sharing many memorable experiences over the year.

In Nursery we enjoy lots of outdoor activities and learning through play. We have many areas in our classroom, so there is always something fun to do. You will make lots of new friends and learn new skills along the way.

Being in nursery means that you will come into and leave school through the nursery entrance. This is what it looks like:

If you have a 30 hours place you will eat your dinner in the hall. You can be either school dinners or bring your own packed lunch. This is what it looks like:

The topics we will be covering during the Autumn term are:

- Autumn 1 - Why do you love me so much?

We will cover;

- Friends
- Feelings
- Families
- All about me

- Autumn 2 - Why do leaves go crispy?

We will cover;

- Autumn
- Harvest
- Conkers and other autumn treasures
- Changes over time

We would usually send out a pack of information and things to do over the summer holidays, but due to the current circumstances we will be unable to do that this year. Instead we will upload a selection of things to our school website for you to access. Please go to www.rakegateprimary.co.uk

Access the *Parents, Home learning, New Nursery 2020* tabs.

We look forward to seeing you soon!
