15th October 2020

Dear Parents/ Carers,

As part of the National Curriculum, this term, your child will be taking part in an RSE lesson here at school taught by the school nurses. The session will last for approximately one hour and will involve a discussion related to changes that happen during puberty including how to manage physical and emotional changes during this time. This lesson should have been delivered whilst your child was in year 5, however, due to the COVID-19 pandemic and subsequent lockdown this was not possible. Therefore, it has been rescheduled for this term to ensure appropriate coverage of the subject.

During the summer term, the nurses will revisit the children and work with them and their class teacher on a series of further RSE lessons related to 'Conception and Birth'. We will contact you with more details regarding this nearer the date and give you an opportunity to discuss with us what is being taught.

We strongly believe that all children should be involved in the nurses' talk. However, should you wish to withdraw your child, please notify us either in writing or by telephone. If you have any further questions, please do not hesitate to contact us.

Yours sincerely,

Miss Causer and Miss Garrington

Year 6 Teachers
